Father, in the name of Jesus, thank You for being the God who brings hidden things into the light. Grant me discernment to recognize deception and wisdom to walk in truth. Let every work of darkness assigned against my life, my family, and my work be exposed and destroyed according to Your will. Guide me by Your Holy Spirit, and help me act with love, humility, and truth. In Jesus' name, Amen

Nana Pilar, huwag Mo pong
pababayaang ang aming bayan at
pamilya sa gitna ng bantang dulot ng
bagyo.
Ingatan Mo po ang bawat isa sa amin
at ilayo kami sa anumang
kapahamakan.
Itinataas namin ang aming panalangin

Amen.

Nuestra Señora del Pilar,

'NAGBOTOHAN ANG SENADO PARA PILIIN AKONG PRESIDING OFFICER'

Hindi umano ginusto o hiningi ni Sen. Chiz Escudero na maging presiding officer ng Senate impeachment court para sa trial ni Vice Pres. Sara Duterte.

Giit pa ng senador, nakabase ito sa rules ng Senado at pinagbotohan sa sesyon kung saan nag-abstain din siya.

Matatandaang umalma si Sen. Alan Peter Cayetano sa pagpili kay Escudero bilang presiding officer sa impeachment. May nakabinbin ding petisyon sa Korte Suprema laban dito, na inihain naman ng ilang abogado na tagasuporta ng mga Duterte.

KINASUHAN NG OMBUDSMAN

Sinampahan ng kasong usurpation ng Ombudsman si dating Overseas Workers Welfare Administration (OWWA) Administrator Arnell Ignacio kaugnay ng pagbili ng OWWA ng lupa na nagkakahalaga ng P1.4 billion.

Ayon kay DMW Sec. Hans Leo Cacdac, lumabas sa imbestigasyon na pinirmahan ni Ignacio ang kontrata at paglabas ng pondo nang walang pahintulot ng OWWA Board of Trustees.

Samantala, na-dismiss naman ang reklamong anti-graft and corrupt practices act, malversation of public funds, at anti-plunder act na isinampa nila laban kay Ignacio, pero i-aapela raw nila ito.

"SHE IS NOTHING," HE SAID...

😞 A Protestant visitor came to a Catholic page and wrote:

"Mary has no power. She is nothing. Don't pray to her."

🙄 An old Catholic priest read the comment and invited the young man to sit beside him.

Without anger...

Without arguments...

Without insults...

The priest simply began to tell a story 😊.

🙄 Priest: My son, if your house caught fire tonight and your little child was trapped inside, and you cried out to the king for help, would he hear you?

😞 Protestant: I hope he would.

We kneel because she always points us to Jesus.

🌹 Every rosary bead whispers:

"Do whatever He tells you."

🌹 Every Marian shrine echoes:

"Look to my Son."

Every true devotion to Mary ends at the feet of Jesus Christ.

The priest placed his hand gently on the young man's shoulder.

Yet every night it fills the darkness because it reflects the sun.

Mary has no power apart from Christ.

But she shines because she reflects Him perfectly.

"So Catholics don't worship Mary?"

"No, my son."

"We worship God alone."

"We simply love the woman whom God chose to be the Mother of His Son, and we ask her to pray for us just as we ask our brothers and sisters on earth to pray for us."

The room fell silent😬.

And somewhere deep in that silence came a thought:

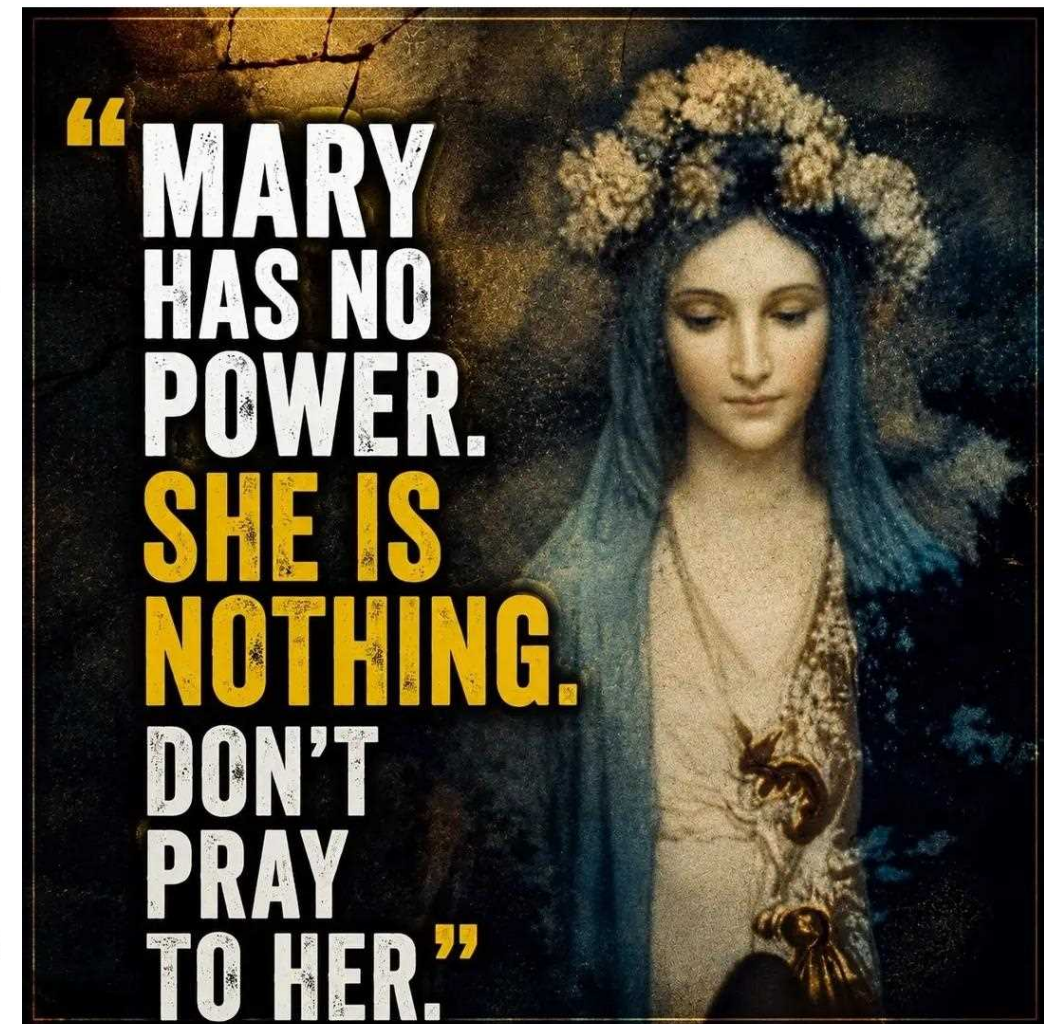

Perhaps the greatest insult to a king is not loving his mother too much...

JUST IN | Ibinasura ng Korte Suprema ang petisyong inihain laban kay Senador Francis “Chiz” Escudero at sa Political Finance and Affairs Department (PFAD) ng Commission on Elections (COMELEC) kaugnay ng desisyon nitong ihinto ang imbestigasyon sa umano’y pagtanggap ng senador ng ₱30 milyong campaign donation mula sa contractor na si Lawrence Lubiano noong 2022 elections.

Sa resolusyon ng Korte Suprema na may petsang Hunyo 3, 2026, sinabi nitong ibinasura ang petisyon ng gurong si John Barry Tayam dahil mali ang legal na remedyo o paraan ng paghahain ng kaso.

Dahil dito, hindi na tinalakay ng Mataas na Hukuman ang merito o nilalaman ng mga alegasyon laban kay Escudero.

Nauna nang ipinasiya ng PFAD ng COMELEC na walang paglabag sa Omnibus Election Code sina Escudero at Lubiano matapos nitong matukoy na ang donasyon ay ginawa ni Lubiano bilang pribadong indibidwal at hindi bilang kinatawan ng kanyang kumpanyang Centerways Construction and Development Inc., na may kontrata sa gobyerno.

THE FRESNO NIGHTCRAWLERS

Sa unang tingin, parang dalawang puting tela lang ang makikita sa CCTV. Wala silang braso. Halos wala ring katawan. Dalawang mahahabang paa lang ang tila bumubuo sa kanilang anyo habang tahimik silang naglalakad sa dilim.

Pero ang mas nakakatakot...

Hanggang ngayon, wala pa ring makapagpaliwanag kung ano talaga sila.

😬 ANO ANG NANGYARI?

Noong 2007, isang residente ng Fresno, California ang nag-install ng CCTV matapos paulit-ulit na tumahol ang kanyang mga aso tuwing madaling araw. Nang balikan niya ang recording, may nakita siyang dalawang kakaibang nilalang na naglalakad sa kanyang bakuran.

Hindi sila tumatakbo.

Hindi sila lumulutang.

At lalong hindi sila mukhang tao.

Jul 12, 2026 14:48:48

Isa ay halos apat na talampakan ang taas,

Isa ay halos apat na talampakan ang taas, habang ang isa ay mas maliit, na parang sumusunod lamang sa mas malaking nilalang. Pareho silang tila gawa sa puting tela, ngunit gumagalaw ang kanilang mga paa sa paraang halos imposibleng gayahin ng tao.

👁️ LALO PANG LUMALIM ANG MISTERYO

Makalipas ang ilang taon (2011), may isa pang video na lumabas mula sa Yosemite National Park. Muli, may naitalang kaparehong puting nilalang na naglalakad sa gabi.

Sinubukan ng ilang paranormal investigators at visual effects experts na ulitin ang footage. Hanggang ngayon, wala pang iisang paliwanag na tinatanggap ng lahat. May nagsasabing costume lamang ito. May naniniwalang puppet. Ang iba naman ay naniniwalang isa itong hindi pa kilalang nilalang o bahagi ng alamat ng mga Katutubong Amerikano, na matagal nang may kuwento tungkol sa maliliit na espiritung gumagala sa kagubatan.

? ANO NGA BA TALAGA SILA?

Dalawang tao lang ba na nagbibiro?

Isang napakagaling na hoax?

O may bagay bang dumaraan sa ating mundo kapag natutulog na ang lahat?

? ANO NGA BA TALAGA SILA?

Dalawang tao lang ba na nagbibiro?

Isang napakagaling na hoax?

O may bagay bang dumaraan sa ating mundo kapag natutulog na ang lahat?

Hanggang ngayon, nananatiling isa ang Fresno Nightcrawlers sa pinakasikat at pinaka-pinagdedebatehang misteryosong CCTV footage sa buong mundo.

Ano sa tingin mo... ano ang nakuhanan ng camera noong gabing iyon?

Storm clouds are still slowly moving east, but the bulk of the Habagat has set up offshore of the Philippines. A slight change of where that is by only 100km would have meant severe flooding over Luzon. A change for the good there. With that said we still have storms in the forecast and have already seen that in some areas from Mindanao to Panay to Palawan, but not so much Luzon. Most agencies, including my forecast backing off some of those major rain totals. Still keep your guard up though. That thing starts to march east could change things up.

High school students from Parañaque City hold a photo shoot for a school project at Plaza de Roma in Intramuros, Manila, on Saturday after they were barred from shooting in other parts of the historic district for failing to secure the required permit.

The incident comes days after the Bawal Mag-Shoot Dito Pilipinas (BMSD) movement met with the Intramuros Administration to advocate for clearer photography guidelines, including a simpler permit system and greater recognition of educational and public-interest photography. PAPA DUDUT, NAMAYAT NGA BA DAHIL NAGKA-CANCER?

Nagbigay na ng paglilinaw si Papa Dudut matapos kumalat ang iba't ibang haka-haka tungkol sa bigla niyang pagpayat. Marami ang nagulat sa malaking pagbabago sa kanyang pangangatawan, at may mga tsismis pang nagsasabing mayroon umano siyang cancer o kaya'y sumasailalim sa dialysis.

Sa panayam kay Susan Enriquez, diretsahang itinanggi ni Papa Dudut ang mga kumakalat na haka-haka.

Ayon sa kanya, "Wala po akong sakit. Nag-diet po ako kasi pag nakikita ko yung mga anak ko na dalawang taong gulang palang, ang iniisip ko, I need to help myself. To prolong my life."

Ibinahagi rin niya na mula sa dati niyang timbang na 118 kilos, nasa 78 kilos na lamang siya ngayon matapos magbawas ng halos 39 hanggang 40 kilos.

Dagdag pa niya, hindi basta-basta ang naging proseso ng kanyang pagpapapayat.

Nagpakonsulta muna siya sa doktor, sumailalim sa mga kinakailangang pagsusuri, at nagkaroon ng tamang gabay sa pagkain bago simulan ang kanyang low carb diet.

Binigyang-diin din ni Papa Dudut na hindi niya hinihikayat ang iba na gayahin ang kanyang diet dahil magkakaiba ang pangangailangan at kondisyon ng bawat katawan.

Bukod sa paglilinaw tungkol sa kanyang kalusugan, ibinahagi rin ni Papa Dudut ang ilan sa mga personal na pinagdaanan niya sa buhay—mula sa pagiging "third choice" sa kanyang programa hanggang sa sarili niyang kuwento ng pag-ibig na tinawag niyang mayroong "pinakapangit na ending," pati na rin ang mga hamong hinarap niya bilang isang ama.

Ano ang masasabi ninyo sa naging journey ni Papa Dudut? Ibahagi ang inyong opinyon sa comment section sa ibaba.

Pets are not allowed inside the church and within the church premises during the celebration of the Holy Mass.

This policy is rooted not in a disregard for animals, but in our reverence for the sacred liturgy.

Love for animals is a beautiful and commendable expression of our care for God's creation. As Christians, we are called to treat animals with kindness, respect, and responsible stewardship, recognizing them as gifts from the Creator, following the example of St. Francis of Assisi, who reminded us to see every creature as a gift from God.

At the same time, our care for animals must always remain distinct from the worship and adoration we owe to the Holy Eucharist. We cherish animals because they are God's creatures; we ADORE the Holy Eucharist because it is God Himself truly present among us.

The parish's request that animals not be brought into the church or its premises during the celebration of the Holy Mass is not a rejection of animals or a lack of compassion for them.

Rather, it is an expression of our profound love

2026-07-12 17:28:34

Rather, it is an expression of our profound love for Christ truly present in the Eucharist and our desire to preserve the sacredness, order, and solemnity of the liturgy while fostering a peaceful and prayerful environment for everyone gathered in worship.

Some have asked why children and even infants are allowed at Mass while pets are not. The two, it bears stressing, are not in the same category within the Church's life and worship.

Children are baptized members of the Church and an integral part of the worshipping community. Their presence at Mass is not optional; parents have the sacred responsibility of bringing them to participate in the Eucharist and gradually teaching them how to pray, worship, and behave properly and reverently in church. While children can sometimes be noisy or restless, they are persons being formed in the faith, and the Church welcomes them with patience, love, and understanding.

Pets, on the other hand, while they are part of God's beautiful creation and deserve our care and affection, are not participants in the liturgy. Bringing them to Mass is a personal choice, not a requirement of the Christian faith. Even the most well-behaved pet may unexpectedly bark, move about, trigger allergies, or cause fear or distraction among other worshippers.

Rather than making case-by-case judgments

2026-07-12 17:28:41

Rather than making case-by-case judgments about which pets are "well-behaved," a general policy is the fairest, most practical, and most pastoral approach for the good of the entire assembly.

This is not about choosing children over animals, nor is it a judgment against those who deeply love their pets. It is about recognizing the distinct role of each within the Church's worship and ensuring that the celebration of the Holy Eucharist remains centered on Christ.

We need not choose between loving God's creatures and reverencing God Himself. We are called to do both, but according to their proper order.

Accordingly, while pets are not permitted during the celebration of the Holy Mass, trained service animals assisting persons with disabilities are welcome. Parish personnel may respectfully request reasonable proof or identification that the animal is a trained service animal.

Thank you for your understanding and cooperation. Your support helps preserve the dignity of our liturgical celebrations and keeps our parish a place of prayer, worship, and a true encounter with the Lord.

"How lovely is your dwelling place, O Lord of hosts!" (Psalm 84:1)

ITO AY PARA SA INYO

Nanawagan si House prosecutor at Batangas Rep. Gerville Luistro sa publiko na patuloy na subaybayan ang impeachment trial ni Vice President Sara Duterte.

Ayon kay Luistro, ang impeachment proceedings ay isinasagawa para sa kapakanan ng mamamayang Pilipino at hindi para sa House prosecution panel.

"Samahan niyo po kami hanggang sa matapos itong impeachment trial na ito sapagkat ito po ay para sa inyo, hindi ito para sa amin," ani Luistro.

Sa parehong panayam, sinabi rin ni Luistro na "10 over 10" ang ibinibigay niyang marka sa naging takbo ng unang linggo ng impeachment trial.

Kia America has issued a new recall for nearly 463,000 of its Telluride SUVs, urging owners to again park their vehicles outside and away from buildings after several customers reported fires following previous repairs.

The recall, announced this week by the National Highway Traffic Safety Administration, replaces a prior one Kia initiated in 2024.

Between October 2024 and April 2026, Kia North America's safety office identified 18 incidents involving either localized seat fires or melting of the seat motor, per recall documents. No associated injuries or crashes have been reported.

PADAYON KITA MAG-ALIGMAT

Maayong gab-i, mga kasimanwa.

Nalampuwasan ta man ang mamugon nga ulan kag mamadlos nga hangin nga dala sang habagat kag epekto sang Bagyo Inday. Apang bisan nagnami na ang panahon, kinahanglan ta gihapon magpadayon sa paghalong.

Sa mga landslide-prone areas, kon may makita kamo nga mga bitak sa duta ukon nagaduko nga mga kahoy, evacuate immediately kag sundon ang hambal sang inyo LDRRMO.

Sa mga naglusong sa baha, kon may pilas ukon gasgas kamo sa panit, magpakonsulta dayon sa inyo Primary Care Facility agud malikawan ang leptospirosis kag iban pa nga mga impeksiyon.

Sa mga puluy-an nga ginbaha, indi paggamita dayon ang kuryente kon basa pa ang inyo balay. Stay away from fallen power lines and report any hazards immediately.

Sa mga na-stranded, indi magpilit magtabok sa mga dalan nga ginabaha. Safety first.

Sa aton mga estudyante, kon wala kamo

dayon sa inyo Primary Care Facility agud malikawan ang leptospirosis kag iban pa nga mga impeksiyon.

⚡ Sa mga puluy-an nga ginbaha, indi paggamita dayon ang kuryente kon basa pa ang inyo balay. Stay away from fallen power lines and report any hazards immediately.

🚚 Sa mga na-stranded, indi magpilit magtabok sa mga dalan nga ginabaha. Safety first.

📖 Sa aton mga estudyante, kon wala kamo klase buwas, magpahuway kag magpabilin anay sa balay. Indi maglagaw kon indi man kinahanglan.

🍺 Malamig ang panahon, pero likaw kita sa pag-inom sang makahulubog nga ilimnon. Likaw gamo, likaw disgrasya.

📢 Magkuha lamang sang impormasyon halin sa PAGASA, LDRRMO, kag iban pa nga mga opisyal nga ahensya. Indi magpalapta sang wala napamatud-an nga impormasyon.

Padayon kita nga magbinuligay kag mag-aligmat. Ang aton paghalong subong amo ang pinakamaayo nga proteksiyon para sa aton kaugalingon, aton pamilya, kag aton komunidad.

What's on your mind?

A great day to all! The annual street dance competition was on today, July 12, 2026, and the streets were alive with it! The weather tried to rain on our parade, but our dancers weren't having any of it, as every single hubon brought absolute fire to the pavement! 🔥☁️💧

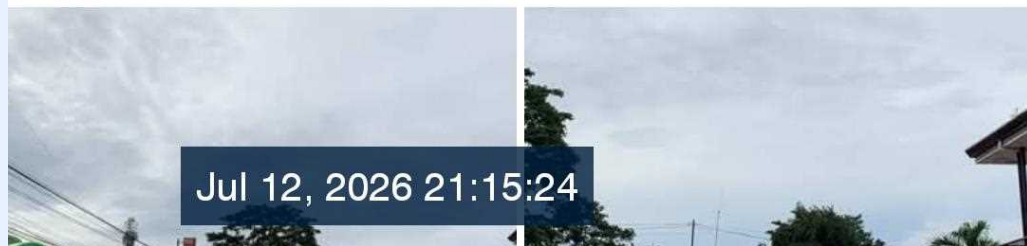

The excitement and energy in the streets of San Enrique today was definitely electrifying! 🎭👑 Marking the 69th anniversary and the 9th Kalamay Festival of the community, the local hubons certainly brought the town alive through a fantastic show of vibrant costumes, creative props, and lively dance moves that make you want to join in. 🏵️ Aside from the spectacular performance, the music and performances were also a wonderful way to witness a glimpse of the heart of our community through the celebration of our history, culture, and abundant sugarcane harvests. 🌾

Let's give it up for our incredible contenders who gave their absolute best:

Hubon Biraho (represented by Dominador Abang
Memorial National High School.)

Cluster 2: (Brgy. Bantayan, Brgy. Cubay, Brgy. Garita, Brgy. Imbesad-an, Brgy. Mapili and Brgy. Tambunac.)

SURONG, SAN ENRIQUE! 🍷

South Carolina Republican Sen. Tim Scott was emotional when reminiscing about Sen. Lindsey Graham after his sudden passing, saying "Lindsey Graham was irreplaceable."

Scott and Graham served together in the Senate for 13 years. He remembered Graham fondly to ABC News' "This Week" co-anchor Martha Raddatz as someone who welcomed him into the Senate as the first Black senator from South Carolina.

Key US weapons stockpiles remain significantly depleted and will come under even more intense pressure if strikes against Iran continue at the current rate, as President Donald Trump reiterated Friday that the ceasefire in the conflict is "over."

The situation with armaments could impact the American military's ability to fight a potential future war with China or even North Korea, experts told CNN. <https://cnn.it/4aPIBWI>

Batasan Complex, Quezon City

Dear **Congresswoman Reyes-Luistro**:

I write to respectfully manifest my readiness to appear as a witness before the Honorable Prosecution Panel, and to request that my testimony be calendared at the earliest setting convenient to the Panel — in any event, on or before 20 July 2026.

This request is occasioned by an official commitment abroad. The Federal Bureau of Investigation, in coordination with the Royal Thai Police, has invited the National Bureau of Investigation (NBI) to the inaugural Regional Summit on Scam Center Compounds and Transnational Organized Crime, to be held in Bangkok, Thailand on 21–22 July 2026.

As Director of the Bureau, I will personally attend to represent the NBI at this summit of director- and commissioner general-level law enforcement leaders across the Asia-Pacific, which will require my travel and attendance on those dates.

In view thereof, I respectfully request that I be scheduled to take the witness stand prior to my departure so that my participation in the Summit will neither disrupt the proceedings nor delay the presentation of my testimony. I remain fully prepared to cooperate and to make myself available at any earlier date the Panel may determine.

Thank you for your kind consideration. I start further information the Panel may require to facilitate scheduling.
